

## **DACOF Walk-Thru Groups:**

### **Which Walk-Through Group will I be in???**

Walk-thrus for each Competition Level for each Round will be divided into three groups:

**Walk-Thru Group A**

**Walk-Thru Group B**

**Walk-Thru Group C**

These groups will be based upon your Jump Height. Typically, smaller dogs are in Group A, mid-sized dogs are in Group B, and Large Dogs are in Group C.

The Running Order highlights which Walk-Thru Group each Handler/Dog Team will be in.

**Yellow = Walk-Thru Group A**

**Green = Walk-Thru Group B**

**Blue = Walk-Thru Group C**

Each Handler will remain in the same Walk-Thru Group for each and every walk-thru, throughout the entire weekend!

(If you are in Walk-Thru Group A for Round 1, then you will be in Walk-Thru Group A for EVERY walk-thru throughout the weekend).

On Sunday, the walk order will be reversed (C, B, then A) as we run tall to small.

Please try to walk with your group.

**However, if you have a conflict, you may walk with another group.**

**\*\*\* ADDITIONALLY & MOST IMPORTANTLY \*\*\***

**If you are scheduled to be a worker for the upcoming Round, PLEASE walk with the first or second Group so that you may report to the proper ring for your worker spot while the Third walk is happening so we will be ready to start on time!**

Keep an eye out for the many additional messages in the coming days as we count down to an amazing weekend at DACOF!
